### SRC STUDENT NURSE ORGANIZATION

The Salve Regina College Student Nurse Organization "SNO" has been reactivated. A task force to prepare by-laws has been meeting since January, 1979. Mary Beth Bigley, a junior majoring in Nursing, spearheaded the revival movement. Other students on the committee were Dorothy Anthony and Louise Therriault. Sister Mary Augustine San Souci, Coordinator for R.N. Students, acted as a resource person and consultant. At an organizational meeting held on Wednesday, April 6, 1979, the by-laws were approved and a Nominating Committee was established to prepare a ballot for the 1979-80 Governing Board.

In recognition of her leadership and commitment to the reactivation of SNO, Mary Beth Bigley has been selected to represent SRC at the National Student Nurses Association 27th Annual Convention in San Antonio, Texas on April 18-22, 1979. The theme of the convention is "Reflections of Futures Now," and the program takes a "holistic view of nursing and health." As an individual member of N.S.A.A. Mary Beth will be able to attend all business meetings and program sessions. We know she will return to Newport inspired with even greater zeal for SNO and more knowledgeable about the role of SNO in relation to the national arena.

Miss Barbara A. Sylvia, on behalf of the Honors & Awards Committee, 1979, would like to express sincere gratitude to all members of the college community who submitted nominations for 1979 Outstanding Student Service awards.

The recipients of these awards will be announced on Saturday, May 5, at 11:00 a.m. in O'Hare Academic Center. All members of the college community are invited to attend the Honors Convocation on that day. Your presence will add a great deal to this memorable occasion.
